Sunday 22nd August 2010

PORT CITY BOWLING CLUB
OWEN STREET, PORT MACQUARIE
10.30 AM

Meeting to formulate a Proposal to SNSW about the New North Coast Area.

Buffet Lunch available at the club for \$10

All Clubs should have received correspondence from Swimming NSW, that following the excellent presentation made to the Board of Directors by Margaret Cornall and Alan Newman, the meeting to form the New Area has been postponed until 1st April 2011.

However in the meantime we (SMNC) have to come up with **an alternative proposal**.

As people would have had the date of 22nd August already put aside for this meeting the Executive proposes to hold an Open Meeting to discuss ideas and develop a proposal to put to Swimming NSW.

I know you are all passionate about the Amalgamation issue and have shown your feelings by the excellent response last January-----BUT NOW WE NEED YOUR HELP AGAIN.

A Meeting will be held at Port City Bowling Club at 10.30am to formulate a proposal. Please don't leave it to just a few people----come along and have your say. I am sure that a proposal put forward by more people would carry more weight than one that just a couple of people put their name to.

There is no limit to the number of financial members a club can send along-----I just need to know so that the club can set up the room appropriately for us.

- **Please email or phone or mail your acceptance through to me by THURSDAY 12th August**
- If you have any ideas-----even in draught form-----please send them to me, if possible in advance of the meeting. (others can be brought to the meeting)
- I will email out any proposals that are sent to me. This allows people to sort out their thoughts and also seek input from other members of their club.

PLEASE COME. THIS IS OUR LAST CHANCE TO GET THE BEST OUTCOME FOR SMNC.
