

**REGISTRAR'S REPORT SWIMMING MID NORTH COAST. BLOCK 2.
COFFS HARBOUR 21ST.. NOVEMBER 2009.**

The second Championship meet was held in hot but dry weather. The meet ran smoothly and a credit the few Coffs Harbour workers that prepared for, and worked tirelessly all day. It was one of the best Meets hosted by the Coffs Club. Congratulations ! Clubs are reminded that By-Laws state that each Club **Must** Supply names of **four officials** to work at the meet when sending entries. Some Clubs are sitting back and letting others do the work for them.

171 swimmers from 13 Clubs competed in 925 individual entries and 23 Relay entries. **Note. A check will be made of Club membership prior to Block3. Please ensure your members are registered or they may not be allowed to compete.**

DISQUALIFICATIONS. Twenty three swimmers earned the Referees displeasure.
